

Driving Directions to Metolius Preserve

South Trailhead coordinates (UTM NAD83): 603743, 4920718

To South Trailhead from Sisters:

Drive 10.6 miles west of Sisters on Highway 20/126. Turn right onto unmarked Forest Service Road 2064. This is the first right turn 0.7 miles after the Camp Sherman/Metolius River turnoff. (You'll know you've gone too far if the highway starts to head uphill and turns into 3 lanes.) Travel 2.6 miles on Road 2064 (red cinder road with turnoffs). You will see one large Metolius Preserve sign at ~1.75 miles: **DO NOT TURN HERE**. Continue straight on the 2064 following the straight arrow on the sign. At the second Metolius Preserve sign (at 2.6 miles), turn right following the arrow into the Preserve. Drive approximately 0.5 miles to the parking area. (Please allow an hour drive time when driving from Bend.)

To South Trailhead from Santiam Pass:

The turn for Forest Service Road 2064 is 2.8 miles past the Suttle Lake Resort & Marina sign and 0.3 miles past mile marker 90. It is a left hand turn at the bottom of a large hill where the passing lane ends. Travel 2.6 miles on Road 2064 (red cinder road with turnoffs). You will see one large Metolius Preserve sign at ~1.75 miles: **DO NOT TURN HERE**. Continue straight on the 2064 following the straight arrow on the sign. At the second Metolius Preserve sign (at 2.6 miles), turn right following the arrow into the Preserve. Drive approximately 0.5 miles to the parking area.
