

Hello! Thank you for agreeing to participate in this survey! The goal of this survey is to determine what barriers may exist towards accessing our Land Trust Preserves among diverse communities. This information will help us better understand how to invest in increased access and inclusion across our protected lands.

This survey comprised of open-ended and multiple-choice questions pertaining to your personal experience while visiting a Deschutes Land Trust Preserve. The survey should take 30-45 minutes to complete. *Please complete the survey while visiting a Preserve.*

Please read and complete the instructions below BEFORE your visit to a Preserve.

Things you will need:

- Smart phone, e-reader, or tablet with internet access
 - Deschutes Land Trust has tablets available for check-out.
 - Contact Jenna Baker at 720-939-5864 or email jtuxbaker@gmail.com if you need to check out a tablet
- Access to a vehicle

Preparing for your visit:

- Choose a Preserve to visit! Click below to find more information about each Preserve.
 - Camp Polk Meadow Preserve:

- Plan a day to visit. Please visit one of the Preserves and complete survey by June 30, 2021.

How to take the survey:

- Important! *Before* leaving for a Preserve, use your cell phone data or Wi-Fi to click on this link to access the survey:
 - <https://ee.kobotoolbox.org/x/IML5XfRu> (English version)
 - <https://ee.kobotoolbox.org/x/loLmehjT> (Spanish version)
- Once you have opened the survey, leave the tab OPEN and travel to the Preserve location. You will be able to take the survey at the Preserve location without cell phone or internet access.
- When you are finished with the survey, wait until you return to Wi-Fi or cell reception to submit your answers.

- Participants will be compensated and mailed a \$120 stipend upon survey submission.

Other important information:

The survey is confidential. Names and personal information will not be shared outside of Deschutes Land Trust. Survey results will be presented as the collective combined total, not by individual results. We recognize that you may decline to provide information about specific questions and respect that personal choice. If you choose, you are welcome to use a pseudonym.

Please contact me if you would like more information about the survey and how the results will be presented – or if you have any questions throughout the process. Contact information is listed at the bottom of this letter.

With gratitude,

Jenna Baker
